

Dear Eva & Adam

I have taken this good day to greet you and to tell you that this days im very happy with my friends

Here in project people are very excited because of the new computers.

At school i have already done my exam in grade 7 and i came position nineteen out of twenty with 219 marks and im not happy with those marks. and we close the school we are now in Hanne Howard fund Lending we are

now taking different activities such as Singing, Dancing, Scouting, Drammer, Art and Craft, bookclub and the sports are grouped into different groups they play volley ball, netball, basketball. my favourite game is football and basketball. what is your favourite game?

In project i have many friends but my best friend is Beatrice Wamaita and she love me and I love her with all my heart even we share secret. do you have friends?

When i came from school i was suprised to see the ten computers. most of us were happy because of the computers.

When i grow up i would like to be a dentist and that is what i dream. my dream makes me to fill so happy and what would you want to be? my favourite pet is rabbit. what is your favourite pet?

I have missed you alot and i would like to see your pictures. I wish you a nice day with your family

pass my greetings to your family.

from your
lovely
daughter

Emma mbithi
nice day.
