

DEAR AKADEMIE JILIN,

Hi? How are you? I hope you are fine and healthy. We've just closed the school for the August holidays and we are embarking on our activities at H.H.F.L. Some of the activities we engage in are Drama, music and sports. One of my favourite activity that I enjoy is SCOUTING. I also lead the rest the scouts at H.H.F.L and at school during the hosting of the flag.

I would also like to thank you for your continued support. Thanks to you I have now been able to achieve my dreams. I managed to go to a technical college and now I have acquired skills in welding. I have extend my skills in helping repairing the damaged boats and other iron tools.

Send my sincere greetings to your family. Thanks again and I hope to hear from you soon.

Yours friendly

Chrisa Nyugi
