

Dear Esau and Abena School children in Trin

Hallo. I have taken this golden opportunity to greet you and your family there at your country I hope that your life is good and you are happy with your fellow friends as my life here at Hanne Howard fund Lenana is good and healthy with my friends Laly, Catherine and Duncan we are happy.

Thank you for your sponsorship and taking care of my life and educating my life and we have already closed the school and we are in H.H.F.L with other pupils we are enjoying ourselves and we are in difference groups like Banana, pears, Watermelon, Orange, Apple Mango, pineapple and we usually enjoy.

Here in project we like playing football, Netball, Volleyball, and basketball and I like playing football because its gives me encourage with my friends, I have two friends and my friend are Beatrice Wamaitia and Mary Njeri they love playing football and volleyball because its gives them good challenges in there future.

When I grow up I would like to be a dentist or a teacher so that I would like to help people in my life. Thank you for caring me and pass my greetings to your friends and family I have missed you alot and I love you all. BYE!

lots of love and hugs  
From your lovely  
daughter Emma  
Mbithe.
