

Dear Emma,

November 2012

How are you? We are fine. What about school? Do you like it? We celebrated Halloween. We had witches and pumpkins at home. Do you celebrate Halloween?

My family doesn't celebrate Halloween. We celebrate Christmas. I love Christmas. We buy presents for our friends and family. We decorate a Christmas tree and all our house. We have snow in winter. We ski and play ice hockey. On Christmas Eve is nice atmosphere. We eat carp with potatoes salad and drink wine or lemonade. My parents drink wine with lemon that is on the glass. We look forward to Christmas every year.

On New Year's Eve adult people celebrate with alcohol, me(children) celebrate only with lemonade. Always we don't go to bed until midnight.

Have a nice time, enjoy Christmas and we will expect your reply.

Yours sincerely,

Girls from form 2. A
