DEAR FRIENDS

How are you? I hope you are fine. We closed our school on Thursday date 13. I performed well in my exam and I am proud to had to class six. We were being held to ensure we score 250 and a house and if since we doesn't reach that mark that will repeat the class. I had 256 marks and I am happy that I had reached the pass mark. Here in project we are doing fine. We always have

many program here in project continuing like computer, Drama, etc. Our weather in here is sunny and Raining. My favo- rite, subject is Math and engli- sh. I like english and math's because when I grow up I want to be a hacker. I wish you merry Christmas and New Year.
